Dave-

The 20th is good for me (I also have another Superior Court case that is suppose to start tomorrow (I probably wouldn't be needed until Friday) and 2 district cases in Springfield on Friday). I may be needed in Pittsfield on Monday the 23rd, but the 24th and 25th are wide open. I'll get in touch with the Pittsfield ADA to see what is going on. Worse case scenerio is that if I know when I'll be needed for you, I'll let him know when I'll be available (am or pm).

Hi Dave-

Here's my schedule through the end of December:

Trial Date	Court
12/1/2011 (into trial pool)	Springfield Superior
12/8/2011(into trial pool)	Springfield Superior
12/8/2011	Holyoke District
12/12/2011 (or 12/13/2011)	Springfield Superior
12/12/2011	Taunton District
12/13/2011	Springfield District
12/13/2011	Springfield District
12/13/2011	Wareham District
12/14/2011	Springfield District
12/14/2011	Holyoke District
12/15/2011	Northampton District

I've already informed Taunton and Wareham about the other 3 Superior Court cases that may be in the waiting for me next week, so adding a couple more won't be a big deal. I'm not sure what the odds are for me actually going yet (though I will try to find out when I email them again), if they do need me it will most likely be after lunch as we are normally on call for them. Since I may be out of the lab a fair amount next week, do you happen to have the lab numbers for the cases so I can look up my notes for them? Thanks.

Hi Dave-

How did the motion to suppress unfold yesterday? Are you going to need me to testify today? As I said yesterday, I do not have any scheduling conflicts today, but I'm just trying to plan my day accordingly. Thanks.
